What is Cotillion?

Cotillion is a PTA sponsored event designed to incorporate dance education with social confidence. Students will learn traditional dance steps, poise, table manners and etiquette in a structured, positive environment.

The first three weeks are themed, for students only, with parental chaperones; parents are invited to join in the finale, which is a semi-formal event. Students and chaperones are encouraged to wear classy, theme apparel for each session. Finale requires attendees to dress semi-formal.

Parents are responsible for transportation to and from the event.

Registration and payment is part of the R.S.V.P and is due by December 8, a late fee will be applied thereafter.
